Perfect Smile, Perfect Precision.

Engineered for clinical
excellence and consistent results.

Developed with a state-of-the-art multilayered material, Clear5 delivers optimal force, sustained pressure, and exceptional comfort—all while minimising the need for refinements.

From complex rotations to precise spacing, Clear5 is designed to treat a wide range of cases with accuracy and control.

With production backed by a leading German manufacturer and expert-designed treatment planning, Clear5 combines reliability, speed, and clear pricing to deliver smarter, more effective aligner treatment.

**Proven with over
500,000 Smiles**
since 2016

7 Day Manufacture
once treatment approved

15.8% Refinement Rate
significantly below the industry average

3 Million
aligners forecast to be produced this year
